13 Student's Right to Cancel and Withdrawal Policy

A notice of cancellation either in writing, email and/or in person is recommended. A withdrawal may be effectuated by the student's notice to the school administrative office, 16117 Covello St. Van Nuys, CA 91406 or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250).

The institution shall issue a refund for unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy for students who have completed 60.0 percent or less of the period of attendance shall be a pro rata refund. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Students who decide to withdraw from school prior to completion should follow the steps below:

1. Meet with the Director of Training or designated administrator to discuss the student's decision to withdraw.
2. Meet with the designated financial aid official to see if obligations still exist.
3. Provide a written and signed notice of withdrawal to the Director of Training or designated administrator.

Refund Policy

The amount owed to the student equals the institutional charge for the instruction divided by the total number of clock hours in the period of attendance multiplied by the number of clock hours the student has not attended prior to withdrawal. No refunds are due once the student has received 60.1% of the clock hours of instruction in any given period of attendance.

For purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in this institution's catalog.

If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 10 days of the student's withdrawal or cancellation. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

This institution shall refund any credit balance on the student's account within 10 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled.

15 Attendance Policy – All Programs

Attendance Policy

Attendance is an extremely important part of the learning experience. This institution requires that a student attend all scheduled classes and any other specially assigned hours of instruction. Attendance will be strictly monitored as the students attending PWA programs. Instructors take attendance in each class. Instructors take attendance at the beginning of the class and the end of the class. All students must stay in the classroom for the duration of the class. If a student must leave the class early, the student must notify the instructor before the class so that he/she will not distract the class.

If a student has a valid excuse for missing a class, they must submit in writing to the Director of Training as to why they missed class. If the absence is excused, the student must make up the course as a later scheduled date with the permission of the Director of Training and instructor if the students wish not receive a failing grade for the day (Note, all courses at PWA are short, therefore attendance is crucial. Excused absences include, but not limited to, doctor's note and work scheduling issue.

In case of illness or emergency, you must provide written documentation from the doctor & provide it to the administration.

Attendance Calculation towards the grade

Attendance counts as 8% of the grade

Absence

Five absences (15% of the total program) constitutes a fail grade for the CESS Program.

Two absences (16% of the total program) constitutes a fail grade for the CST Program.

Three absences (15% of the total program) constitutes a fail grade for the CPS Program.

Tardiness/Early Departure

A student is allowed to be tardy or leave early 5 times before accruing one absence. It is important for you to be in class on time in order not to interrupt the instructor, students, and lesson. Students will be marked tardy if they are not present within the first 10 minutes of each class session or if they leave 10 minutes before class is over. Students arriving after the first hour will be marked absent. Five incidents of tardiness or of leaving school without a legitimate excuse constitute an absence and any missing material. Excessive tardiness may lead to a dismissal from the school.

Probation

Students will be placed on probation if they do not meet the requirements for Satisfactory Academic Progress at the mid-point of the program and/or program completion. The probation may cover a period no less than thirty days or the duration of the class of study. If by the end of their period the probation conditions are met, then probation will be removed. Otherwise, the student will be ineligible to complete and terminated.

All PWA students are instructed on how to write resumes, hold interviews and perform key duties as security professionals. During the training, PWA instructors assist students to create a profile on ASC's unique security related job search engine Guard Source One: www.guardsourceone.com Students record videos and upload all their certificates and photos to the site where several security firms including ASC can view and contact prospective employees. The site is free and open to anyone regardless of whether or not they attended PWA. PWA provides continuous and lifelong job placement assistance to all its graduates. 25-8 Satisfactory Academic Progress

Grading Policy

Student achievement is measured using a percentage system of 0 – 100%. Students must have a cumulative grade of 70.0% in order to maintain satisfactory academic progress and graduate. Students are monitored, assessed and the grades are recorded daily. Students are notified of their grades at the 1st quarter, midpoint, 3rd quarter and end of the course. Students falling below the 70.0% mark at any point of the programs will be notified verbally by their instructor. Students that maintain a grade lower than 70% at 50% of the program’s completion will be notified in writing by the Director of Training that they will not graduate from the program unless they can pull up their grade by 75% of the program completion. Due to the shortness of the program, students that fail to maintain satisfactory academic progress will be notified in person by the director of training or branch manager at the end of each quarter and weekly thereafter. If, after notification, a student fails to maintain a grade of 70.0% at the time third quarter grades are released, the student will be dismissed from the program for unsatisfactory performance.

Class Incompletion

With instructor’s approval, a student may be granted an extension to complete the required class work. If the work is not completed within the designated period, the student will be assigned a failing score for that class.

Program Withdrawal

A student who withdraws from a class will receive the symbol “W” (Withdrawal) for the program, which has no impact on the grade.

Repetitions

Students can repeat a class only once. The ability to retake the class is subject to the instructors’ recommendations and to availability of space in classrooms. The grade earned from a repeated class will replace the original grade and become the final grade of the student’s record.

Maximum and Minimum Timeframe:

All programs must be completed within 150% the originally contracted length of time. All students must complete 84% of all the programs to be considered a graduate.

Appeals Policy – Academic or Otherwise

Students may petition any decision made in regards to their academic progress or violations by submitting a written statement no later than one class after the decision. The Director of Training and Chief Academic Officer review the appeals letter and hold a meeting with the student in question. The appeal must describe the circumstances and reasons as to why the student’s academic record needs a change. The decision of the Director of Training and Chief Academic Officer must be delivered to the student no later than two classes after the submission of the letter. The appeals decision is final and is the ultimate step in the appeals process.

If the internal appeals process is not sufficient, students can appeal by contacting the Bureau for Private Post Secondary Education (BPPE) at:
 Bureau for Private Postsecondary Education P.O. Box 980818, West Sacramento, CA95798-0818.

Pacific West Academy is committed to assuring full academic freedom to all instructors. Confident in the qualifications and expertise of its instructors members, the college encourages its instructors members to exercise their individual judgments regarding the content of the assigned courses, organization of topics and instructional methods, providing only that these judgments are made within the context of the course descriptions as currently published, and providing that the instructional methods are those official sanctioned by the institution, methods for which the institution has received oversight approval.

Pacific West Academy encourages instructors and students to engage in discussion and dialog. Students and instructors members alike are encouraged to freely express views, however controversial, as long as they believe it would advance understanding in their specialized discipline or sub-disciplines.

Self Monitoring Policy

PWA's administration, staff and instructors work on all matters of school business, student affairs, curriculum, course offerings and content. This Institutional Review's agenda is driven by weekly staff and quarterly instructors' meetings with meeting minutes and agenda issues to be addressed. Student evaluations of each program are held prior to the completion of the program. The evaluations are of the school's services, curriculum, instructors and student outcomes. The primary purpose is to ensure that the institution is maintaining all requirements determined by the BPPE, maintaining all ethical standards mandated by the management of the institution, and ensuring that the institution remains student-centered in all areas. The Director of Training regularly updates the school materials and resources based on the recommendations from staff, advisory board and instructors at the quarterly policy meeting. The instructors at this institution implement technology and are trained to use it in their classes. Staff attend BPPE and or regulatory workshops on an annual basis. Files are internally audited on a monthly basis by the CAO and Director of Administration.

NOTICE TO STUDENTS:
ACCET COMPLAINT PROCEDURE FOR INSTITUTIONS APPLYING FOR ACCET
ACCREDITATION

This institution is seeking initial accreditation with the Accrediting Council for Continuing Education & Training (ACCET). To this end, the institution has submitted an Application for Accreditation to ACCET and will subsequently submit a self-study and have an on-site team visit to determine whether the institution meets ACCET's Standards for Accreditation. It is the mutual goal of ACCET and the institution to ensure that educational training programs of quality are provided.

When issues arise, students should make every attempt to find a fair and reasonable solution through the institution's internal complaint procedure, which is required by ACCET and frequently requires the submission of a written complaint. Refer to the institution's written complaint procedure which is published in the institution's catalog or otherwise available from the institution, upon request. Note that ACCET will process complaints which involve ACCET standards and policies and, therefore, are within the scope of the accrediting agency.

In the event that a student has exercised the institution's formal student complaint procedure, and the problems or issues have not been resolved, the student has the right and is encouraged to take the following steps:

1. Complaints should be submitted in writing (by email or mail) to the ACCET office. Complaints received by phone will be documented; however, the complainant will be requested to subsequently submit the complaint in writing.
2. The written complaint must contain the following information:
 - a) Name and location of the institution;
 - b) A detailed description of the alleged problem(s);
 - c) The approximate date(s) that the problem(s) occurred;
 - d) The names and titles/positions of all individual(s) involved in the problem(s), including faculty, staff, and/or other students;
 - e) What was previously done to resolve the complaint, along with evidence demonstrating that the institution's complaint procedure was followed prior to contacting ACCET;
 - f) The name, email address, telephone number, and mailing address of the complainant. If the complainant specifically requests that anonymity be maintained, ACCET will not reveal his or her name to the institution involved; and
 - g) The status of the complainant with the institution (e.g. current student, former student, etc.).
3. In addition to the written complaint, copies of any relevant supporting documentation should be forwarded to ACCET (e.g. student's enrollment agreement, syllabus or course outline, correspondence between the student and the institution).

4. SEND TO:
